## WELCOME MESSAGE

Shri Arvindbhai T. Patel

Shri K. K. Patel

The world has become a 'Global Village' and, therefore, we need to keep pace with the world. Each day brings new challenges. With the ever expanding horizons of trade and commerce; we are compelled to keep pace with the latest trends prevalent in the world of commerce and trade. We should make conscious endeavours to maintain the quality of people and products in order to make great progress in this ever-growing world. We need to make optimum utilization of resources made available to us by the Almighty. Commerce education has become indispensable to gain an access to these resources. The members of Sardar Vidyabhavan Trust are of the opinion that commerce education based on ethical values and quality can prove to be beneficial to the society in particular and the nation in general. Our trust is keenly interested in imparting quality and value based education to the students of this area i.e. Mehsana district.

Thirty ve years down the time line Shri V. R. Patel College of Commerce (VRPCCM) has emerged as one of the leading commerce colleges affiliated to Hemchandracharya North Gujarat University, Patan. VRPCCM has been making great experiments in the field of trade and commerce since its inception. It has also set up novel trends and policies on the campus and has pioneered many useful academic systems with amazing results. The bright, enthusiastic and dedicated students seek admission in this college every year. The students of VRPCCM can have an access to the latest developments emerging in various business sectors - may it be IT, Banking, L.I.C., Corporate world or Stock market. The students are provided with ample opportunities to develop their overall personality by encouraging them to participate in curricular, co-curricular and extracurricular activities as well.

We, therefore, very heartily welcome you to the most prominent commerce college of Sardar Vidyabhavan Trust. We hope that the knowledge that you will acquire from this college will pave the way for your happy, prosperous and peaceful life.

May the Almighty bless you all!!

## Achievement leading to Ecstasy through Gratitude (Grade 'A' by NAAC)

Our joys found no boundaries when we came to know through the NAAC website that our college has got 'A' grade (3.02) from NAAC. We put our best efforts to achieve a good result and the Almighty has rewarded accordingly. We are grateful to the almighty for granting us wisdom and strength to achieve the expected result. Henry David Thoreau has rightly said : "If one advances confidently in the direction of his dreams and endeavours to live the life which he has imagined, he can meet with success unexpected in common hours." With the grace of the almighty our dream has come true.

Before we went for the second cycle i.e. Reaccreditation, we got our college assessed by three members from Academic and Administrative Audit (AAA). AAA is a Gujarat of Government initiative working under the banner and aegis of Knowledge Consortium of Gujarat (KCG). It is a matter of great pleasure that AAA has paid a visit to our college a few months back and awarded 'A' grade too. AAA Peer Team members were also highly impressed by our Pre-NAAC preparation. It is a fact that proper prior planning prevents poor performance.

During our journey of Reaccreditation we have had whole-hearted support from many persons from diverse strata of society. How can we forget them on this joy-seeking and joy-sharing occasion? We have a long list of supporters and therefore, we cut the list short. To name a few, we are highly obliged by the following persons from various walks of life.'

## Principal's Inner Voice

I am very much delighted to put this booklet in the hands of the students of F.Y. B.Com. (Gujarati and English Medium) from the beginning of the new academic year i.e. 2020-2021. We, the Commerce College family, have strongly felt in the recent past the need for publishing a booklet for the benefits of our students since some students of F.Y. B.Com. (Gujarati and English Medium) were deprived

of reading the original books prescribed for detailed study by the Hemchandracharya North Gujarat University, Patan despite the fact that they were very much eager to go through those books. The students were not at fault because some books of F.Y. B.Com. (Gujarati and English Medium) were not easily available even from the well-known book stalls of Mehsana. This booklet is a humble attempt to give an answer to their inquisitive minds. It aims at fulfilling the pressing demands on the part of the students. It provides not only the detailed information of the prescribed topics of all subjects but also the important questions of each and every subject. Your short term goal is to pass your examination successfully. It will definitely help you to do so for it covers your course completely and comprehensively. But you have a long term goal as well i.e. to achieve success in life. For that I urge you to study each and every page of the books prescribed for detailed study by the university thoroughly.

The 21<sup>st</sup> century is the century of information and technology. It is the century of trade and commerce as well. We need to obtain as much information as possible from various sources related to our subjects. You must strive for obtaining the best results in every sphere of life. The world is in need of skilled persons. Work hard and be the architect of your own life. Mediocrity is a crime. Keep on brushing up your skills. Adopt new techniques of acquiring knowledge, adapt to them keeping in mind your requirements and be an adept. It is your attitude and not your aptitude that determines your altitude. Winners don't quit and quitters don't win. Shiva Khara, on the front page of his book entitled "You Can Win", has prudently written that winners don't do different things, they do the things differently. You need to be different from others in order to prove your worth. Be creative. Be innovative. Be industrious. Be pathfinders.

I am sure this booklet will guide you to your true place, solve your difficulties and place you on the royal road to success, happiness and peace of mind. All you have to do is to make a beginning because the secret of getting ahead in life is getting started.

I extend my sincere thanks to all the members of my Commerce College Parivar who have assisted me in the preparation of this booklet.

Let virtues bloom and vices doom.

**Dr. J. K. Patel**  
Principal

# SHRI V. R. PATEL COLLEGE OF COMMERCE, MEHSANA

## B.COM. & M.COM. PROGRAMMES : 2023-2024

### COLLEGE AT A GLANCE:

Shri V. R. Patel College of Commerce was established by a visionary named Shri Balarambhai Kshatriya in the year 1964 as Municipal Arts and Commerce College. It came into existence as a separate commerce college on 1 January, 1986 with the aim of imparting higher quality education in the new emerging and occupational areas of trade and commerce.

After the sudden demise of Shri Anilbhai T. Patel, the former Chairman of Sardar Vidyabhavan Trust (SVT), Mehsana as well as Apollo Group of Industries, Mehsana two years back, the college is presently managed by the same trust under the pious chairmanship of a renowned politician named Shri Arvindbhai T. Patel and the holy leadership of an industrious industrialist and managing trustee Shri K. K. Patel and the devoted trustees as well. The college has been striving for excellence in all the spheres of life with the help of the visionary Managing Trustee Shri K. K. Patel, highly qualified trustees and the staff members of the Sardar Vidya Bhavan Trust since its inception. Sardar Vidya Bhavan Trust runs four colleges: 1. Shri V. R. Patel College of Commerce, 2. Municipal Arts and Urban Bank Science College, 3. Swami Vivekanand Sarvodaya Bank College of Education and 4. Shri S. M. Shah Law College.

Ours is a grant-in-aid college affiliated to Hemchandracharya North Gujarat University, Patan and recognized by the University Grants Commission (UGC) under the UGC act 2(f) and 12 (B). The college has also occupied the leading position among the commerce colleges affiliated to Hemchandracharya North Gujarat University. In comparison with the commerce colleges affiliated to Hemchandracharya North Gujarat University, it has the distinct status of obtaining the highest grade I. e. A Grade from the National Assessment and Accreditation Council (NAAC). We stand first so far as the strength of the students and the number of subjects offered as principal and subsidiary are concerned. The college with its well defined goals and aspirations is not only committed to quality education but holistic education also.

The college is located in Mehsana on the National Highway that connects all the major parts of Gujarat and Rajasthan including Delhi and northern states of India. Mehsana is well-known for The Milk City and The Oil City as well. It takes pride in having one of the biggest dairies of India named "The Dudh Sagar Dairy" which has brought about the white revolution in the North Gujarat region. The O.N.G.C. Project, situated in the

vicinity of Mehsana district, has also made a significant contribution to the development of the city. There are two GIDCs in Mehsana – one on the highway and the other near the village named Dediyan. The companies belonging to these two GIDCs enjoy the country-wide popularity for their worth-manufacturing products. Chhatral and Kadi are the other places where the large scale industries have been established. The students of our college can have the first hand experience of industrial units and the expertise of the various fields related to industrial products.

### **SCOPE OF THE COURSES:**

#### **Bachelor of Commerce (B. Com.):**

The college offers B. Com. & M. Com. Degree programmes designed and introduced by Hemchandracharya North Gujarat University, Patan. The college imparts education in both the media - Gujarati as well as English at B. Com.&M. Com. Levels. Presently, there are total seventeen divisions comprising three English and two Gujarati medium at B. Com. Sem. I level, two English and two Gujarati medium at B. Com. Sem. III level, two English and two Gujarati medium at B. Com. Sem.V level, one English and one Gujarati medium at M. Com. Sem. I level and one English and one Gujarati medium at M. Com. Sem. III level.

The college offers three subjects as Core Compulsory (main) namely Advanced Accountancy and Auditing, Advanced Business Management and Advanced Statistics and ve subjects as Core Elective (subsidiary) namely Advanced Accountancy, Advanced Business Management, Advanced Statistics, Secretarial Practice and Computer in Business Operations.

#### **Other Programs:**

In order to expand the horizons of education, our college tries its level best to offer a plenty of learning opportunities to the students. In this regard, the college runs the following programs and courses along with the regular programs and courses:

#### **Online Admission Procedure:**

Admission process is entirely online. The college strictly follows the admission procedure for students as stipulated by Hemchandracharya North Gujarat University (HNGU), Patan. The principal has formed an admission committee comprising three members. This committee monitors the admission process thoroughly and makes it sure that the admission procedure should run smoothly. The members of the committee remain physically present during the whole process and guide the admission seeking candidates in the choice of subjects, group of subjects (Core Compulsory and Core Elective), fee structure, job opportunities etc. They also study the students' past academic records and suggest them to choose the subjects or courses that will be more suitable to them to pursue. The procedure to be held every year for admission to students is

transparent and is put on the college notice board for the knowledge of all admission seeking candidates. If there is any change in policy or process, it is instantly noticed on general notice board of the college.

The admissions to B. Com programme are allowed to the students after they have passed the higher secondary examination of the state Education Board or any equivalent examination. So after the results of the examination are declared, the procedure of admission starts.

The college has made an arrangement for filling in the admission forms in the college library. The detailed information for filling in the form is given in the college prospectus. The students can also get their admission forms filled in at home if they have a computer along with a printer facility available at home. If they wish, they can do so making an approach to the owners of the Café Centres. Thereafter, the students need to submit the hard copy of the filled in forms to the administrative office. Fixed time period is given to the students to submit the forms to the office. If they fail to do so, their forms are accepted but they are not given priority in the merit list, though they deserve admission.

The students are informed to attach the following necessary supporting documents along with their admission forms.1. Photocopies of Std. XII mark sheets' all attempts.

1. Photocopies of Std. XII trial certificates.
2. If the student has passed Std. XII examination before 2023, he/she will have to attach an original and a photocopy of affidavit on Rs. 20/- Stamp Paper mentioning his/her pursuits before 2023.
3. A photocopy of a School Leaving Certificate.
4. ST/SC/OBC/Physically Handicapped students must attach an original Caste Certificate from a concerned officer and an Annual Income Certificate to seek admission in the college. Otherwise admission will not be given in the reserved quota. His/her name will be included in the merit list of general category.
5. A student belonging to minority section of the society will have to attach a Certificate from a concerned officer.
6. A current year income of the entire family to be shown. (It is mandatory for the students belonging EBC/BC/BAXI/Handicapped/Minority categories to attach an income Certificate if they want to avail scholarship Benefit from the institute/government.)
7. If a student has passed exams other than HSEB, then he/she will have to attach an original provisional eligibility Certificate from HNGU, Patan.
8. Admission is given keeping in view the reservation policy stipulated by the Govt. of Gujarat:

Sr.No.	Category	Percentage
1	Scheduled Castes	07%
2	Scheduled Tribes	14%
3	SEBC	27%
4	Physically Handicapped	01%
5	EWS	10%
6	Open Category	41%

In addition to the above categories, as stipulated by the university, the Principal allows admission on optimum 6% of the total seats to the students with extra-ordinary career in different fields of sports and cultural activities.

The filled-in forms, not submitted within the stipulated time, will not be entertained. Admission right is given in accordance with the medium i. e. English/Gujarati chosen by the student. Computer Practical marks are not included in the merit. After the stipulated time for the submission of forms is over, the whole data of the forms are uploaded on the computer and a general merit-list is prepared along with separate merit lists of different reserved categories. These lists are displayed on the college notice board. Those students, whose names appear in the merit list, are informed to pay the fees within the time mentioned in the notice with a view to securing their admissions.

After the stipulated period is over, if still some seats are vacant, a second merit list is displayed on the notice board. Those, whose names are included in the merit list, are supposed to secure their admission by paying up their fees. This procedure goes on as long as all the seats as per the category are filled in. If any wrong information is provided by the student, admission form/admission gets cancelled.

### **Online Fee Payment :**

The students don't have to come to college for the payment of their fees. The college has made an online fee payment arrangement. The college fee can be paid using Credit/Debit/ATM cards. It saves the time of the students.

### **Initiative for empowering Students (IFES):**

Initiative for Empowering Students (IFES) is one of the initiatives introduced by the college a few years back. Under the banner of this initiative we extend financial support to the students belonging to the economically backward classes. Every year we come across a few economically poor students who are not in a position to pay their fees in time. They approach the head of the institute i.e. the principal and the teaching staff members for seeking financial assistance. We do help them whole-heartedly. The fees of

such poverty-stricken students are paid either from the college IFES account or from the pockets of the principal and the teaching staff. We have been extending monetary support to these students since the inception of this collage. We don't expect them to give money back to us in the days to come. To our surprise most of the students return money when they become financially sound.

Former students of our Alumni Association, who enjoy high status in the society, also extend financial support to the poor students of the college every year. The members of the Alumni Association sponsor some events organized by the college as well. They hand over prizes to the winners of different events organized by the college under the banner of cultural activities. We also collect an amount of money for IFES from the miscreants as a punishment for not obeying college rules.

### **Online Administrative Work :**

All sorts of administrative works are carried out with the help of technology. It is as good as paperless work. From distribution of Admission Form to issuing College Leaving Certificate (Transcript) is done using computer technology. Students pay fees online by using their credit or debit cards. All notices are displayed on the digital screen. All ads related to vacancies are also exhibited on the digital screen inside the college library. All kinds of information - may it be result, expert lectures, college tours, SCOPE exam etc. are passed on to the students through bulk SMS services.

### **Written and Online Examination System :**

Two internal (written and online) tests per subject per year are conducted by the college. The internal tests carry 30 marks (20 marks for written test + 10 marks for online test). The student must score 12 out of 30 internal marks in order to appear at the university examination. The examination system is based on 30 (internal) + 70 (external) calculation systems. Hemchandracharya North Gujarat University holds the annual examination. The student must obtain 12 out of 30 marks at the college exam and 25 out of 70 marks at the university exam in order to get promoted to a higher class.

### **Declaration of Result :**

The students can check their internal result navigating college website: [www.vrpccm.org](http://www.vrpccm.org). Apart from that the results are sent to the students through BULK SMS service too. The hard copy of the results is also displayed on the college notice board. We conduct computer-based examination of soft skill and foundation subjects every year. The result of the subjects concerned with soft skill and foundation are declared online. The students are informed to contact the professor concerned within the stipulated time if they find any discrepancy in the results declared by the college.

### **Technology-based Teaching and Learning :**

It is a truth universally acknowledged that the students of the modern age are wellversed in technology because technology has become a part and parcel of their daily life. With the advent of technology there has been a great change in the teaching learning process. We have also been compelled to incorporate changes in the teaching learning methodologies and it has benefitted us a lot.

We have installed LED projectors in almost all classes in order to make teaching learning process more effective, interesting and comprehensive. It has strengthened the relationships between teachers and students as well. With the integration of technology into teaching-learning process the students have started taking keen interest in the subjects they are studying. Now students can learn useful life skills through technology too. Technology has helped our students in many ways like development of many practical and presentation skills, learning to differentiate reliable from unreliable sources on the Internet, maintaining proper online etiquette and writing emails etc.

### **Course on Computer concepts (CCC) :**

It is a must for a candidate seeking government job to go through Course on Computer Concepts (CCC). CCC is a one-year duration certification programme recognized by the Ministry of Human Resource Development, Government of India. The college offers this course at a very nominal charge compared to the charges levied by private institutes of Mehsana town. The time span is for two months. The fee is Rs. 3000/- only. The Certificate of completion is issued by the government recognized institute named DOEAAC (Department of Electronics and Accreditation of Computer Courses). Mr. Hitesh Joshi renders great services to the students of CCC in terms of getting good results and creating employment opportunities as well.

### **Finishing School :**

The Education Department of Government of Gujarat has taken the initiative of introducing the Finishing School Concept for the students of Government as well as Grant-in-Aid colleges. This initiative has been implemented by Knowledge Consortium of Gujarat (KCG). The objective of the program is to enhance the employability skills of the students who are academically good, but lack in basic communication and life skills, due to which they are unable to secure jobs. We impart life-oriented education to the students through the Finishing School initiative.

### **Study Materials :**

The students need specific study materials to study at home intensely. The prescribed books are not sufficient enough for detailed study. The level of competition for students is increasing day by day. To match up to that level the students should have deep knowledge of the subjects prescribed for detailed study and that's why we distribute study material prepared by the concerned faculties among the students. The study materials contain syllabus-related topics as well as university papers. The students can have extensive practice at home.

## Competitive Exam Guidance :

Guidance related to competitive examinations is imparted to the students by inviting experts from various sectors and especially Government Sector. The classes are engaged to enrich the knowledge of the students regarding competitive examinations.

Library:

Our college has its own full-edged library since its inception. It has been computerized a few years back. It is situated on the first floor of the college building. It is quite independent in its location comprising three sections i.e. student, faculty and the ladies' section. It can accommodate more than 150 students at a time. It has a rich collection of books. It comprises more than 11000 books covering different subjects, 13 journals, 40 magazines and 9 newspapers. The latest publications are continuously added to the treasure of library books. Some audio as well as audio-visual books are available in the library. ### **Book Bank :**

The college purchases books on programmes and courses designed and prescribed by HNGU, Patan from the RUSA (Rashtriya Uchchatar Shiksha Abhiyan) grant every year. The entire set of books is issued to the students belonging especially to Minority/SC/ST/OBC students. The students are given the books on deposit and it is reimbursed at the end of the semester. The greatest Benefit of the Book Bank is that the students are not expected to get their books renewed at regular intervals. The students belonging to General Category also feel at liberty to avail themselves of this facility.

### **N. C. C. :**

The college has one N.C.C. unit comprising 50 cadets. Admission to N.C.C. unit is given to the students keeping their performance in mind at written as well as physical fitness tests conducted by the N.C.C. officers. The students are expected to follow the rules of N.C.C. unit strictly and follow the procedures notified at the stipulated time.

### **N. S. S. :**

The college has two N.S.S. units comprising 200 NSS volunteers. Every year, one annual N.S.S. Camp (Varshik Shibir) is organized by the N.S.S. units as per the rules and regulations laid down by the Hemchandracharya North Gujarat University, Patan. The N.S.S. units organize many programmes as part of regular activities in the college like blood donation camp, women empowerment programme, elocution competition, campus cleaning, celebration of various festivals, save girl child campaign, prohibition of tobacco, abolition of superstitions etc.

### **SPORTS :**

It is rightly said that health is wealth. Our college has been providing ample opportunities to the students to become sturdily built young boys and girls. The college provides proper training and pays attention to personal grooming to the players for various games like badminton, basketball, volleyball, cricket, swimming, weight lifting, table tennis, judo, chess etc. The sports persons of our college are encouraged to participate in inter college and inter university tournaments and they do acquire higher positions in different sports and games and makes us hold our heads high by claiming prominent prizes every year.

### **SCOPE :**

SCOPE (Society for Creation of Opportunity through proficiency in English) was established in 2007 by the Government of Gujarat to build English language proficiency in the youth of Gujarat. It creates employment opportunities for the students of Gujarat. It has been the most successful PPP model in the state. It has an established network of 200+ centres through two Zonal Training Partners (ZTPs) for the purpose of providing English language training to the candidates. SCOPE programme is centred on three

challenges of education - Access, Equity and Quality. Cambridge English Language Assessment is the Assessment and Certification partner of SCOPE. The college has been selected as the SCOPE examination centre by the Commissioner, Higher Education, Gujarat State. All students of B.Com. Sem.-II are encouraged to appear at the SCOPE exam conducted in the college DELL every year.

### **DIGITAL ENGLISH LANGUAGE LABORATORY (DELL) :**

The college has set up the Digital English Language Lab. (DELL) in 2007 with the financial assistance from the Govt. of Gujarat. It has 25 computers and more than 750 students seek admission in the DELL every year in different batches. The syllabus of DELL has been divided into three levels of varied duration. The focus of the Digital English Language Laboratory is on functional English. Dr. Babasaheb Ambedkar Open University is entrusted the responsibility to implement this project and issue the certificates.

### **Tally Accounting Software :**

We live in an age of technology. Most of the administrative works are carried out with the help of technology at present. The area of accounting has also been highly influenced by technology. Accounts are maintained through computers using TALLY software in the present era. The college conducts guidance classes for Tally Accounting software. We impart computerized accounting education to the aspirants in our college. Keeping in view the demand of the hour we have started TALLY accounting classes for the college students charging very nominal fees from them. The students of our college cultivate the skills for maintaining books of accounting and that leads to a plenty of job opportunities in the technology-oriented world. Tally Accounting classes are engaged in the Computer Lab. of the college. Mr. D. T. Patel, the Computer Programmer who is both - computer-savvy as well as techno-savvy, is in charge of this Certificate course.

### **GCET Classes :**

The College runs GCET classes for the benefits of local students.

### **ICWA :**

The College has been selected as a coaching centre for I.C.W.A. (Institute of Cost and Works Accountants of India) under Ahmedabad Chapter of Cost Accountants of India. The college offers coaching facilities to aspirant students for Foundation and Intermediate programmes.

### **Medical Insurance :**

Medical insurance is a type of insurance coverage that covers the cost of an insured individual's medical and surgical expenses. The college provides medical protection directly to the insured i.e. the students. The college extends monetary support amounting to Rs. 10000/- to the students who meet with an accident and Rs. 25000/- in the event of their death in the accident respectively during their academic journey. The Government also pays Rs. 100000/- to the deceased.

### **Term Paper :**

The term papers are handed over to the students along with study materials at the beginning of the semester. The lists of the topics to be written in the term papers are provided to the students in the classroom by the concerned faculties. The students are motivated to write terms papers at home on the topics given by the faculties. The term papers form the part of internal marks. They carry 5 internal marks and 5 marks are allotted to the presentation. The term papers play crucial roles in scoring good marks in the examination. The students cultivate the habit of writing and writing leads to perfection in academic career.

### **Blog Facility :**

The principal, some staff members and the college librarian have created their blogs and they are very beneficial to the students in many ways. The students can have an access to the topics to be taught in the classrooms before hand and they also get their queries solved because they are well-acquainted with the topics before their entry in the classrooms. The study material, solved accountancy sums, market reports, question papers, the list of the reference books, the topics for term papers and presentations etc. are posted on the blogs at regular intervals. The college blog title is:

<https://vrpcclibrary.wordpress.com>.

### **The Mehsana Nagrik Bank Computer Centre :**

The Mehsana Nagrik Bank Computer Centre in the college was established in 1986. The college has a well-equipped computer centre with the latest soft-wares related to accountancy and allied subjects. The college has also a broadband internet connectivity and audio-visual aids.

### **Laddies Room :**

The college has an independent Laddies Room with rich sanitary conditions. The girls are advised to sit in the Laddies Room and pass their spare time at leisure in the Laddies Room.

### **Water Facility :**

It is recommended that people with kidney problems should drink pure water having TDS level below 100 mg/liter better recovery. We have come to know through reliable sources and especially doctors of Mehsana city that water available in Mehsana is not worth-drinking because it contains high TDS level that leads to kidney-related diseases. A majority of people in Mehsana city suffer from stone problems in the kidneys. Keeping in view the diseases caused by water we have started purchasing mineral water bottles from the reliable mineral water manufacturing units of Mehsana. Mineral water is made available to the students during college hours.

### **Curricular, Co-curricular and Extra-curricular activities :**

Under extra-curricular and cultural programmes, the college organizes various competitions such as quiz, elocution, essay writing, dancing, hair style, mahendi, rangoli,

garba etc. Besides all these competitions the students are motivated to participate in various curricular as well as co-curricular activities like computer literacy, personality development programme, teachers' day celebration, English speaking courses, career building guidance, music classes, environment awareness programmes etc. The performance of the college at the university Youth Festival has always been worth-appreciating. In this way, the college provides a platform to the students to build up their self confidence and bring their latent talent to the front through participation in various co-curricular and extra-curricular activities.

### **Scholarship :**

The brilliant and the down-trodden students are encouraged to take advantage of various scholarships such as S.C., S.T., S.E.B.C., E.B.C., O.B.C., P.H.C., Minority etc. The students are requested to follow rules and procedures strictly related to scholarship as and when notified.

### **Identity Card :**

Each student is issued an identity card at the beginning of a new semester. The identity card is a must. The students are instructed to tie it around their neck and let it hang down the neck as long as they are on the college campus. No student is allowed to appear at the college tests or university examination without the identity card. If the student, for any reason, loses the identity card, the loss of the card must be brought to the notice of the administrative staff in writing. The new ID card is issued at the request of the student charging additional amount.

### **Grievance Redressal Cell :**

The college has a grievance redressal cell to address grievances of the students and the faculties as well, if any. The students are instructed to inform about their unrest to the members of the said cell or they can write down their problems on a piece of paper and drop it in the Suggestion Box fixed on the administrative office wall. The box is opened at regular intervals. The members of the Grievance Cell make requisite endeavors to safeguard the students against any harassment from anti-social elements.

### **Medical Check-up Programme :**

The college organises a medical check-up camp and conducts a Thalassemia test in collaboration with the government authorities concerned for the health of the students. Both are applicable to the first year students as per Hemchandracharya North Gujarat University guidelines. A team of doctors visits the college and conducts these camps. The doctors advise the disease affected students to undergo the treatment of the diseases they are suffering from.

### **Students Attendance :**

Students' attendance is regularly monitored and at the end of every term, students are informed of their presence in the classroom i.e. the number of days he/she has remained present in the classroom. Regular attendance in the lectures during the

academic year is compulsory as stipulated by the university. Out of 30 internal marks, 5 marks are allotted to those students whose attendance is in consonance with the ordinance of the university. If any student has less than 50 percent attendance in either semester, his/her parents are informed about his/her less attendance through a letter and the parents are summoned in the college in order to know the reasons why his/her son/daughter has remained absent in the class. When the parents give the assurance (undertaking) in writing that their son/daughter will remain present in the class regularly in the following semester, the student is granted admission in the second semester and allowed to pay the fee of the second term.

### **Industrial visit :**

Industrial visit makes the students come across the challenges that the organizations face in the business world. It bridges the gap between classroom theoretical training and practical learning in a real-life environment. It also provides the students with an insight into the corporate world and a practical real-world perspective on different functions in organizations such as Marketing, HR, Finance, Operations, Customer Service, Logistics, etc. This gives students a platform to enhance their interpersonal skills too. Keeping in view all these benefits the colleges manages two to three industrial visits every year.

### **Alumni Association :**

The Alumni Association our commerce holds the distinguished position in almost all spheres of society i.e. the government, banking, educational institutions, medical profession, trade and business etc. It has been sponsoring many events in the college for the benefits of the students since its establishment. The members of the Alumni Association do donate money generously for the overall growth and development of the institute.

### **Placement Cell :**

The college runs a job placement cell which is tied up with reputed organizations. Number of companies from different sectors such as Banking, Finance, Retail Marketing, B.P.O., Insurance and Entertainment visit the college in order to recruit the freshers.

### **Awards and Prizes :**

In order to encourage the brilliant students attractive prizes are awarded to them for occupying top positions in the university and college examinations, scoring the highest marks in individual subjects and obtaining the first class both at graduate as well undergraduate levels. The students who prove their worth i.e. fabulous performance in N.C.C., N.S.S., Sports and cultural activities are also awarded fascinating prizes sponsored by our honorable donors. Free book sets are also provided to those students who belong to the top 10 ranks of the university examinations.
