MINUTES OF THE MEETING

1. It is rightly said that health is wealth. In order to give first priority to health our trustee-cum-industrialist appealed all the members of IQAC to motivate the students and the staff to utilize the new gymnasium as and when time permits them so that they can keep their body fit for any work.
2. The members, present in the meeting, laid more emphasis on the Sports activities because they wanted the sports-persons to bring glory to the college by making them participate in national and international sports and games.
3. Most of the countries of the world are facing the pandemic i.e. Corona virus. The IQAC members were of the opinion that the college should play a pivotal role in uprooting the Corona virus and, therefore, all members unanimously decided to extend their cooperation whole-heartedly.
4. The NAAC Coordinator put a proposal that the students were scared of Corona virus and therefore, some steps needed to be taken to make them participate in curricular, co-curricular and extra-curricular activities of the college in order to abolish fear from their mind.

MINUTES OF THE MEETING

1. Women education is taking greater strides in the modern age. As a result of this women in the society are enjoying higher status in the society now-a-days. The managing trustee doesn't wish the girls of the college to lag behind and, therefore, all kinds of attempts to be made to motivate them to make great progress in all spheres of life
2. The Government of Gujarat is firm in the development of Gujarat. The government wants to accelerate different activities in the college under the aegis of "Azadi ka Amrit Mahotsav"
3. The members opined that they find many children deprived to good food and therefore, they need to be guided properly and provided with nutritious food. To create awareness among the students related to malnutrition, it was decided that certain lectures and programmes needed to be arranged.
4. Water is considered as an elixir of life. One of the members of IQAC made a proposal that certain programmes should be conducted in the college to make the students understand the value of water.
